

Beachfront Pool Villa (110sqm)

Hop off your timber walkway and onto a sweep of warm powder-soft sands that lead into the cool, clear waters of the shimmering Indian Ocean. Inviting ocean vistas through its French windows and framed glass doors, the Beachfront Pool Villa has front row seats to glowing Maldivian sunsets. The villa's verdant garden creates an atmosphere of utter relaxation and peaceful calm that is complemented by a private pool, jet-pool, loungers, outdoor dining terrace and sala pavilion.
